Principal's Report

VCE Students

A reminder to Year 12 students that they do not have long to go and that the holidays provide an opportunity for final revision.

Their practice exams are taking place during the first week of the holidays from Monday 23rd September - Wednesday 25th September.

Last day of VCE classes is Friday 18th October and students will be finishing after period 2, at 11am.

Valedictory Dinner

All Year 12 parents/guardians have received an invitation to the Valedictory Dinner to celebrate the end of Year 12. **This will take place at the College on Friday 18th October at 6.30pm.** I am looking forward to seeing all Year 12 students and their families at this celebration.

Year 12 Sleepover

Year 12 students will be holding a sleepover on Sunday 20th October at the Upper Plenty Conference Centre. **Please ensure that they bring with them their full school uniform for the Year 12 Farewell Assembly the next morning.**

Year 12 Final Assembly

The Year 12 Farewell Assembly will take place at 10am on Monday 21st October in NETS Stadium. Students will then be on study leave. The VCE Examinations begin on Wednesday 30th October. During study leave students may see their teachers but must sign in at the General Office.

All students have a copy of the VCAA - VCE Exams Navigator that advises them when their exams are scheduled. **STUDENTS MUST BE IN SCHOOL UNIFORM FOR THEIR EXAMS.**

Denis Paraskevatos: A Mariner's Passion

Macleod College is pleased to announce an opportunity for our community to view the amazing lifetime works of Denis Paraskevatos. Over the past 60 years Denis has used admiralty diagrams to build exact scaled down replicas of some of the world's finest ships (sail and oar).

This collection is made up of over 20 ships and has only been shown twice before. Denis has also kindly offered to attend during the day to speak to students and show them how the boats have been made. This is a once in a lifetime opportunity and really shouldn't be missed!!

Dates: Monday 11 November until Friday 15 November

Times: 8.30am until 5.30pm

Cost: Free

Opening night: Monday 11 November 7pm until 8.30pm – speeches at 7.30pm

NMR Athletics

Erin Maloney, Marcus Jones and Keelan Russell competed at the NMR Athletics last week.

Congratulations to Marcus who came second and advances to the state finals in the 1500m event.

IELC

Lightning writing:

Students are given a prompt which will inspire their writing. They are given 3 minutes only to write

Prompt: I have been studying at the Macleod College Intensive English Language Centre (IELC) for six weeks. I would like to tell you about my experience.....

The subjects at the IELC are really enjoyable and the English tasks are effective. I think my pronunciation and my grammar have improved a lot since I started. I really like PE and Healthy Living because they help me a lot. It helps me cook better and PE helps me improve my basketball jump shot.

Phuc Nguyen Year 9

I like the PE classes. I played badminton and basketball. I love them. I even have healthy living lessons. In fact, in this class we cook. I made dip, scones and Anzac biscuits. I love eating them. I have literacy app class with Ms Wan. I can even use my laptop to learn and improve my English. One thing I found easy is meeting people. I now know people from different cultures.

Bowen Ren Year 9

At the IELC we have classes such as English class, literacy Apps, PE, art and music. We also do Healthy Living and we cook. I think we all enjoy it very much. One thing I found easy is everybody here is friendly and polite. But I found making local friends here is quite a little bit difficult because of cultural difference.

Kevin Zhang Year 9

One thing I found easy is cooking in the Healthy Living class. It is not difficult anymore, because if we try; we can do it. Everyone here is friendly, especially the local people. One thing I found difficult is the weather. It is colder than Vietnam. Every morning I wake up and feel really cold and don't want to get out of bed. I feel homesick.

Linda Hoang Year 9

Physical Education is very interesting. Ms Spinks has taught us how to play basketball and football. She is very friendly. I like Healthy Living with Ms Fazio. Cooking is very good. We have fun.

Wayne Guo Year 10

I think IELC has been wonderful and interesting. My classmates are very friendly. One thing I have found easy is music.

Wenzhen Wang Year 9

One thing I found easy is homework and class work. I can use ICT tools such as Education Perfect. One thing I found difficult is reading in English. I feel books are hard to understand.

Selina Wan Year 9

The class I find easy is PE. When we have PE class Ms Spinks shows us how we can have more interesting lessons and improve our skills. One thing I feel is difficult is when there is a rainy day. We can't play basketball outside.

Jason Shu Year 9

In Macleod College, we have many interesting lessons such as cooking and PE. Sometimes we play language games like Quizlet. This is good for my English. Every day, my teacher Ms Ketty teaches us new words. One thing I have found easy is study with friends. One thing I found difficult is study on my own.

Kevin Jiang Year 8

In IELC, we have a good teacher and good classmates. Lessons in the IELC are wonderful. I really enjoy the art class. Our art teacher is great. We have made a clay bowl. Of course we have homework on Education Perfect and Quizlet. I like these apps. They improve my English.

Dorsey Jin Year 7

I enjoy playing basketball with local students. I have many friends in Macleod College. They are friendly. I enjoy cooking in Healthy Living class. Last time I cooked Anzac biscuits and they were very good. It was fun.

Aof Isarakarnkul Year 9

I have found Physical Education is very easy. We can do sport we want. We can have fun with the sports and games. Our life is not that busy so sometimes we feel bored. We need to find a place to have fun with friends.

Harry Xu Year 9

ATHLETICS

The **Diamond Valley Athletic Club** invites any student interested in a season of **Track & Field athletics** to come along to a **TRIALS AND REGISTRATION AFTERNOON** on Sunday 29th September 2019 at Willinda Park, Greensborough (Melways 21 A4) beginning at 2:00pm.

The club also welcomes interested athletes to join in club training sessions at Willinda Park on Tuesday and Thursday afternoons from 5:00pm. Athletes will find qualified coaches on hand to assist with their preparation.

For further information, check out the club website www.valleyaths.org or contact Max Balchin on 0409 350 280.

The season of competition with Athletics Victoria commences on Saturday 5th October 2019 and is open to women and men from Under 14's through to open age.

Second Hand Uniform Needed

The Second-hand Uniform shop is keen to have some more items to sell! As we change back to the summer uniform next term, why not take the opportunity over the holidays to go through the wardrobe and clear out those uniform items that no longer fit or are not needed any more – we'd appreciate your throw-outs (provided they are good enough for someone else of course!).

Just put them in a bag, bring them into the office and you will be given a form to fill out with your details. When an item is sold, you will receive 70% of the sale price, either taken off your student account or, if your child has left the school, put into your listed bank account.

As always, helpers for the shop are needed – this is volunteer run! And next term we will be looking for more helpers so we can run the Second-Hand Book sale.

Please let me know if you would have some time to help out in the first week of December.

Sustainable Macleod & the
Macleod Organic
Community Garden

presents...

This week's offer

In the Community Garden

One of our volunteers is super excited: she has been offered a scholarship from Banyule Council to do a Permaculture Design Course in November through the Green Training Fund.

She is keen to hear how she can best share some of the learnings and bring them back to Macleod.

Thanks to Sustainable Macleod for supporting the application!

Tip of the Week: Can worm farm worms survive in the garden?

Can you transfer worms from a worm farm into the garden? If your worm farm is full and you need to empty it, will the worms survive?

Here's my answer: it depends. Compost worms are not the same as garden earthworms and, unlike earthworms, they stay on the surface. So, they can only survive if you have a surface layer of fresh organic material like manures and mulch which both provides them with food and gives them a moist environment
