

**MACLEOD
COLLEGE**

*Inspiring and Supporting
every child*

November 2024

Dear Families,

2025 - Year 08

Macleod College is looking forward to another great year of engaging teaching and learning and would like to advise you of the 2025 voluntary financial contributions.

All schools provide students with free instruction to fulfil standard curriculum requirements. To complement this, Macleod College invites voluntary contributions from our families to ensure that we can offer the best possible educational outcomes for our students. We only request contributions for items that we believe add value to the school experience.

Macleod College proudly lives its values: *Achieve, Respect and Connect* by delivering comprehensive, and inclusive programs. We rely on your ongoing voluntary financial support to ensure that we continue to cater for the learning and wellbeing needs of all students. Our contribution amounts have not changed for the past few years keeping in mind families' financial pressures. This has not changed how we provide the standard curriculum and additional educational and physical resources. We have, however, had no choice but to pass on small fee increases to e-learning subscriptions and activity charges due to providers increasing costs.

We thank families for their ongoing support, whether through financial contributions, fundraising or volunteering your time.

In 2025 the Junior School (Prep to year 06) will introduce Auslan sign language classes to engage and promote diversity for our young learners. In 2024, through teacher innovation and your financial support, we provided new exciting student programs such as the *Year 10 EnlighTEN Program* which allows students to select from a diverse set of electives in each key learning area. This has proven to be very successful, and we are exploring a similar opportunity for Year 9 through the new *Nine-finity Program*. Other initiatives include:

- Holistic Health & Nutrition Days for students;
- enhanced digital learning opportunities;
- additional VCE subject offerings;
- the completion of new seating, light & sound in the Theatre and Hall;
- continuous improvement of our College communication systems;
- new outdoor and indoor student seating;
- continual refurbishment of classrooms;
- new VCE Study Centre in 2025;
- student lunchtime activities – sports, dance and other clubs and more.

For further information on the Department's Parent Payments Policy, please see a one-page overview attached.

Yours sincerely,

Mario Panaccio
Principal
