

Uniform Policy

The College Council approves the uniform which must be worn by all students who attend the College; students or parents who experience financial difficulties when purchasing the uniform are asked to contact the Business Manager who is able to suggest strategies to overcome this difficulty. Every attempt is made to reduce the cost of the uniform and second-hand items are available from the College.

Students are required to wear the complete school uniform while at school and while travelling to and from school. When competing in interschool sport they are required to wear the proper sports uniform to and from the venue. The PE uniform must be worn for practical classes and the performance uniform (as instructed by the Music Director) for music performances.

The manner in which the uniform is worn must reflect pride in the College. This means it must be clean, in good repair, appropriately fitted and worn without non-uniform items, including non-approved make-up and jewellery.

If unable to wear any part of the uniform, the student must bring a note signed by their parent/carer and present themselves to their Student Manager/Sub School before home group/period 1. They will be given a Uniform pass and must carry the uniform pass on them throughout the day.

Our uniform is gender-neutral, either summer or winter uniform may be worn year-round, but not a mixture of items. There could be days (i.e. school photo day) when students will be asked to wear a particular uniform.

Failure to adhere to Uniform Expectations (Year 07 - 12)

Uniform passes provided to students without a note will result in a detention after 2 warnings.

- 3 uniform passes without a note result in an After School Detention
- Continuation to breach the Uniform Policy, the student will be placed on an **Individual Uniform Contract** which will require them to get their uniform signed off at their sub school every morning for the agreed upon time
- Ongoing issues of uniform will be discussed with the family/carers
