Sustainable Macleod & the
Macleod Organic
Community Garden

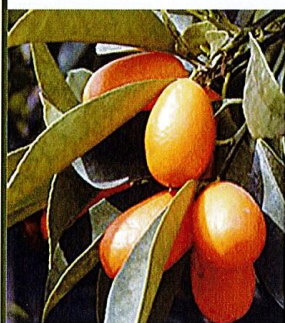

presents...

This week's offer

In the Community Garden: Mulch

Sustainable Macleod will soon have free supplies of good quality wood mulch (useful for paths or as a mulch for native plants or fruit trees). We want to encourage home gardeners to use this material to build up their own gardens. To collect, come to the Macleod Organic Community Garden Wednesdays or Saturdays 1 pm - 4 pm.

Tip of the Week: Cumquats

Cumquats are small, hardy trees that do very well in cold winters and hot summers and produce an abundance of small, golden orange fruit, white flowers, and glossy dark green leaves. They grow well in the ground or very large pots. All of them grow well in Macleod. Cultivate as for any citrus tree.

Real Time Events: Various

- Sunday 1 March Home Harvest Picnic at Edendale Farm 3.30 pm - 7 pm
- Sunday 8 March 1 - 3 pm Off-grid solar electricity systems with Chris Newman at Macleod Organic Community Garden
- Saturday 14 March Macleod Village Autumn Market 10.30 am - 3 pm (see poster below for details)

Treasured Scraps

We need your Treasured Scraps!

Perhaps it's something that's loved but too shabby to wear; something you can't mend; something you don't know what to do with; or something at the back of your wardrobe, forgotten. Treasured Scraps is a sustainable textiles project led by Jasmine Corbett, a local textiles artist and illustrator. Jasmine will be holding a series of workshops throughout March and April, and is inviting people to donate a treasured scrap of fabric or textile (or two, or three). From these we'll create a large textile banner, made completely of donated/up-cycled, sustainable textiles. We'll work on piecing together the textiles, and there'll be opportunities for people to embellish the banner using techniques like embroidery, beading, appliqué and Kantha stitching.

With each treasured scrap there's a story, and we'd love to hear yours. So come along and share them!
