Emotion coaching is about recognising, understanding and managing your own emotions as a caregiver as well as your children's emotions. When children develop these emotional skills they are better equipped to negotiate the ups and downs of life.

TIK is an evidence-based program; randomised controlled research trials have shown that it makes a difference to parents and children.

TIK is a **free** program run by Kids First for parents who live in Yarra, Darebin, Whittlesea, Banyule and Nillumbik areas.
